

United States Bankruptcy Court

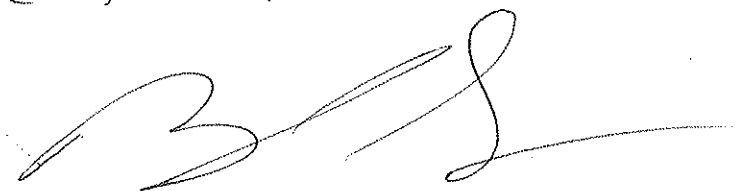

Eastern District Of Michigan

In re City of Detroit
Debtor

Case No. 13-53846

Chapter 9

I Bernard P. Storm Jr. Object to
The Plan For the Adjustment of Debts of
the City of Detroit. A vote of Yes for
the Plan gives up any right I may
Have to sue the State of Michigan and
The City or other entities specifically preserved
by the Plan. My objection is because my
rights should not be Factor.
